Supplemented RESPONSE

On 2025-04-29 I received Docket 30313 with a separate email from Kroll with my Claim number 99205 listed in the EXHIBIT of the late sent claims with the request for a response regarding late sent claims for avoiding the elimination of my claim and the total lost of my Claim amount of 448000,00 € transferred to my FTXI account.

1.) My Declaration about late received Informations

Hereby I have to note, that I did not receive informations about the date of the Deadline (2023-09-29) to submit claims in front of the deadline 29.09.2023

There was no responsible delay of my part in submitting the claim:

Having received the information after the deadline, it was not possible for me to assert the claim in front to the deadline

My Chronology of late received informations

With the email from Kroll I received the following information on Date 07/8/2024, I did not get any Informations before the deadline Date on 29.09.2023

I got the informations of the deadline for filing general proofs of claim after the deadline (September 29,2023, at 4 p.m. ET) - containing the information, that Kroll will continue to process claims as they are received; however, the debtors may object on the basis of lateness, among other reasons.

„Please notice that on June 26, 2024, after the Disclosure Statement Hearing, the United States Bankruptcy Court for the District of Delaware("the Court")entered the Order(I) Approving the Adequacy of the Disclosure Statement; (II) Approving Solicitation Packages; (III) Approving the Forms of Ballots; (IV) Establishing, Solicitation, and Tabulation Procedures; and (V) Establishing Notice and Objection Procedures for the Confirmation of the Plan [D.I. 19068]("The Solicitation Process Order")“.

Additionally, the treatment of claims will be governed by a Chapter 11 plan that will be filed at a later date and subject to approval by the United States Bankruptcy Court for the District of Delaware. Parties will have an opportunity to review the plan and certain creditors may be able to vote to accept or reject that plan. Please continue to monitor the docket located on the case website:

<https://restructuring.ra.kroll.com/FTX/Home-DocketInfo>

<https://restructuring.ra.kroll.com/FTX/Home-DocketInfo>

I received the information in Docket 13628 separately by mail from Kroll, with reference to the initiation of the repayment process, as well as further postal information filed 05/01/24 from Kroll with reference to the option according to the FTX Customer Claim Portal

Than later having recieved a letter with Docket 29127, electronically filed 03/01/25 I got the informations by post-letter on 3. February 2025 from Kroll Restructuring Administration, FDRStation, P.O. Box 5293, New York, NY 10150-9998

The letter was marked as „Legal Notice Enclosed, Direkt to Attention Of The Addressee Or President/ General Counsel and Containing Case 22-11068-JTD, Docket 29127. Notice of effective Date of the second amended Joint Chapter 11 Plan of Reorganization of FTX trading LTD, and its Debtor Affiliates

I received all information in this Proceeding after the Deadline 29.09.2023.

Therefore, it was not possible for me sending my claim on 29-09-2023 or before.

2.) Cybercriminal office of the Police in Berlin /Germany

The determination of the loss amount of my transferred money to my FTX account was compiled and verified by the **Cybercriminal office of the Police in Berlin /Germany**

(attached is a screenshot of the Compilation and confirmation of my loss amount from the Cybercriminal office of the Police in Berlin /Germany and a screenshot of the FTX account from and a screenshot from Kroll's Website under <https://restructuring.ra.kroll.com/FTX/> <https://restructuring.ra.kroll.com/FTX/>)

3.) Failing objections

In the Docket 30313 regarding the Exhibit listing the late Claims attempting to eliminate further arguments of objection failed, because these objections are not individually differentiated, so not substantiated regarding the contents of each claim. The objections against all claims listed contain identical announcement objections without reasons for all claims and not individual specific. This proceeding is too simple and not acceptable without evidence and without any assessment of the claims in the Exhibit, without correctness and truth.

It must be doubted if the Proceedings regarding the underlined identical arguments against all the claimants listed („A robust review of the books and records, the FTX Recovery Trust has not identified any liability owing to, or customer entitlement of the claimant“) are really carefully checked - more being contestable and a not acceptable and unchecked pretext - so giving my objection against these objections of the trust, it seems necessary to file the amount of my claim eliminating all doubts in Claims and Chronology.

So I need explaining the proceedings with my claim

4.) Proceedings with my claims

- My first Claim No.: 96443 was emitted on July 22nd, 2024 and was replaced by Claim No. 96477 due to the Kyc.

- Both the claims were initially running with these Claim numbers.

- with Docket No 27177 filed 10-23-24 my Claim No. 96443 was listed as „to be Disallowed“ and my Claim No. 96477 was listed as „surviving claim“

- In the docket 28225 filed 11/22/24 on page 673, both my claim Numbers were listed and referred to „unverified“ due to KYC requirements.

So, after supplementing the KYC (Step 8, W-8BEN Form-activation of Bitgo), I got the new ID Claim 3265-70-VPQIZ-419170292, Claim No. 99205, Gert Heinrich Pistor with the Date of 2025-01-21 und

Step 8 in the ftx customer portal now was confirmed and with the confirmation by FTX in the FTX Customer Portal marked green - so ok.

- With Docket 30323-2 filed 04/28/25 the current Claim IDClaim_3265-70-VPQIZ-419170292 with Claim No. 99205 was described as „late“ with a notice that this claim could be eliminated due to the late submission and could therefore be prohibited from paying back

- In Docket 30323-2 Filed 04/28/25 a response to the presentation of the "late sending" was recommended

The specified Claim Amount of 448000,- € never was changed in all my Claim numbers.

No substantial changes in the Claims accounts were made and all the three proofs of Claims were given with an attachment with an amount of loss and claim for backpaying of 448000,00 €

This always unchanged attachment with the amount of my lost of 448000,00 € transmitted to my FTX-Account was compiled, verified and confirmed by the Cybercriminal Office of the Police in Berlin/Germany (s. attachment)

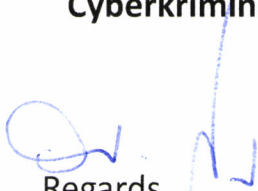

In Summary

- There was no responsible delay on my part in submitting the claim:
- I became aware of the deadline of 29.09.2023 after this date.
- My claim amount is proven by the money transfer to my FTX account and the List compiled and verified by the Cybercriminal Office of the Police in Berlin/Germany*
- My Loss is 448000,00 €*
- My KYC with FTX is OK including Step 8 regarding Bitgo
- The objection of the trust failed

"THIS OBJECTION SEEKS TO DISALLOW AND EXPUNGE CERTAIN CLAIMS. CLAIMANTS RECEIVING THIS OBJECTION SHOULD CAREFULLY REVIEW THIS OBJECTION AND LOCATE THEIR NAMES AND CLAIMS ON SCHEDULE 1 OF EXHIBIT A ATTACHED TO THIS OBJECTION AND, IF APPLICABLE, FILE A RESPONSE BY THE RESPONSE DEADLINE FOLLOWING THE INSTRUCTIONS SET FORTH HEREIN"

Please note my new supplemented attachment from Kroll containing explanations about:

- the actual Details of my Claim in Kroll Website and
- Screenshot of my FTX account with my Deposits in the overview of the FTX Customers portal
- The List of my loss compiled, controlled, verified and confirmed by the Cyberkriminal Office of the Police in Berlin /Germany

A handwritten signature in blue ink, appearing to be 'Gert Heinrich Pistor', is written over the word 'Regards'.

Gert Heinrich Pistor
